

Illuminations

Class supply list

These supplies are all available at Meininger's (located on the corner of Broadway and 5th in Denver).

Supplies

- Small jar of water (for cleaning paint brushes)
- Brushes – set of 6 different sizes.
- Sharpie – extra fine. (Does not work over gold and silver)
- Gel pens – colors of your choice
- Metallic Ink – Gold or Silver
- Schmincke powder – mixes with water. Gold or silver (the same color as the ink)
- Krylon spray UV protection Matt finish (retards flaking and fading)

Procedure for 1st project

1. Fill jar with water
2. Draw a letter (or trace a letter) approximately 3" x 3"
3. Make copies (via scanner, Xerox, copied)
4. Paint any background (solid color, floral, dots, etc.). May use gel pens and/or sharpie.
5. Paint first layer with Metallic ink – let dry
6. Paint over first layer with Schmincke powder – let dry
7. Paint edges with sharpie
8. Paint gold/silver within lines.

Other projects can be created, but the basic procedure is the same. Vary the paper, colors, and letters. Include florals, geometrics, animals, words, stars, lines, shapes, etc.
