BEGINNING/INTERMEDIATE OIL PAINTING

Valorie Snyder, Instructor

Supply List

Important: This class requires the use of non-toxic **Turpenoid Natural (in the GREEN can)**, rather than turpentine or other dangerous solvents. Bring a small jar with a tight fitting lid for your turpenoid.

Brushes: If you already have brushes, bring what you have. I recommend bristle brushes (the stiff ones), small, medium and large (sizes 4, 6, 8, & 10 or something similar). Bristle Filberts (flat with rounded corners) are most versatile.

Also bring soft flat brushes in several sizes, a fan brush and a liner brush. If you have questions about these, we will discuss brushes in class.

Suggested Oil Colors: (If you are beginning and can't afford all these colors, you can begin with the starred * colors.)

*Ultramarine Blue Cobalt Blue Cerulean Blue *Cadmium Red Medium (or Winsor Red, Grumbacher Red)	Alizarin Crimson Cadmium Red Light *Cadmium Yellow Light *Titanium White *Black	Sap Green Naples Yellow (I like Naples Yellow Light) Yellow Ochre Burnt Sienna Burnt Umber
---	---	---

-Liquin

-Palette knife

-Palette – A large, disposable paper palette or any kind you prefer to use.

-A canvas pad, 11 x 14 or larger. This is a pad, like a sketchbook, of sheets of canvas.

-Several canvas boards or stretched canvasses, sizes 11 x 14, 14 x 18 or 16 x 20

-Rags and a roll of paper towels

-Sketchbook and pencil

-Easel. Beginners will work on tables the first night of class. After that, you can decide whether you wish to bring a portable floor easel or table easel to class. If you are not a beginner, you may wish to bring an easel on the first night of class.

-Color Wheel and a Value Scale, for reference, if you have them.

-Several reference photos – *simple* landscapes or still life pictures to practice painting from. We will paint both from photos and from life.
