Summer Semester			
Course Number	Course Title	Credits	Length
CRJ 266	Crime Analysis VI – Cooperative Education**	6	1-2 semesters

*Please note that the crime analysis courses should be taken *in the order in which they are offered*. This means that the beginning of the cycle is only the Fall semester of each academic year.

**If you are currently employed as a crime analyst, you have two options as it relates to the cooperative. First, you can substitute CRJ 220, Human Relations & Social Conflict, and CRJ 230, Criminology, for the internship. Second, you would complete your internship with the agency you are currently employed. Please contact the department chair for more details.
