Company

Information

resources at ACC Library and the Web

Online Resources

The Annual Reports Library www.zpub.com/sf/arl

Links to annual reports sites as well as to other business-related sites.

Annual Report Resource Center www.irin.com

Database of current and historical company annual reports.

Article databases at ACC Library site www.arapahoe.edu/lrc

EBSCOhost, ProQuest and others for articles; NewsBank for newspaper articles.

Business Journals www.bizjournals.com

Selected articles from various business journals around the country, including *The Denver Business Journal*.

Corporate Information www.corporateinformation.com

Information about American and international companies. Much of the information requires registration, some is available without registering.

EDGAR www.sec.gov/edgar.shtml (Electronic Database Gathering, Analysis, and Retrieval) Contains all documents of SEC filings.

EdgarScan <http://edgarscan.pwcglobal.com>

A tool to find basic and comparative information on companies, allowing SEC financial statements to be downloaded into Excel spreadsheets. Allows for financial benchmarking with company comparison tables. Companies can be accessed and arranged by SIC codes and by total revenues for benchmarking comparisons of companies by industry and size and other financial criteria.

Hoover's Online www.hoovers.com

Company info available on a subscription basis as well as some free information.

The Motley Fool <http://www.fool.com/school/13Steps/13Steps08.htm>

Good basic guides on how to read corporate financial reports.

NAICS (North American Industrial Classification System)

www.census.gov/epcd/www/naics.html

SEC (Securities and Exchange Commission) www.sec.gov

Discloses litigation and enforcement filings against companies. Links to EDGAR database.

SIC system search www.osha.gov/oshstats/sicsr.html

Thomas Register www.thomasnet.com

"The most comprehensive online resource for finding companies and products manufactured in North America." Provides access to online company catalogs and websites.

Yahoo! Finance <http://finance.yahoo.com>

One of the Web's best free sites for company information.

Company websites can be found using Google www.google.com.

Company sites have annual reports and other financial info, and latest press releases.
