How and where to find books, articles, sites

Books and articles for writers can be found on the ACC Library homepage at arapahoe.edu/lrc

Print books

Browse the PN section in the reference area upstairs and circulating section downstairs or use these search terms in the ACC Library online catalog:

authorship	book publishing	books—publishing	children's literature—
technique	creative writing	feature writing	fiction—technique
journalism—authorship	literary agents	manuscript preparation	news writing
playwriting	poetry—authorship	screenwriting	self-publishing

Electronic books

Access NetLibrary from the Library homepage or NetLibrary.com. You must first set up a username and password from a computer in the ACC computer lab. (Search tip: *creative writing*)

Magazine articles

Search tip: *writer* under Publications search (yields *Writer* and *Writer's Digest*)
(ProQuest database username/password: *accstudent*)

Web sites
